NRC Reference Styles (NRC Research Press 2013)

In-text citation:

You are required to use the following format for all in-text citations:

Single author: (Author date) e.g. (Smith 2013) or (NRC Research Press 2013)
Two authors: (Smith and Jones 2013)
Three or more authors: (Smith et al. 2013)

Bibliography or reference list:

The following is a list of different reference types, in the correct National Research Council (NRC) format. You are required to use this format in all your writing assignments for this course.

Example:
